**DEFENDANT'S RESPONSE IN OPPOSITION TO PLAINTIFF'S VERIFIED
SUPPLEMENTAL COMPLAINT**

Defendant Jason Goodman Pro Se respectfully responds in opposition to Plaintiff's verified supplemental complaint. Plaintiff's persistence in filing this motion demonstrates his contumacious disregard for this court's authority. Plaintiff continues to introduce false claims that are unsubstantiated by evidence in his ongoing effort to increase these proceedings and harass the Defendant. The court has already denied Plaintiff's request to amend his pleadings and denied a reconsideration of that order requesting the same. Granting Plaintiff's motion would unnecessarily delay and protract discovery and a logical conclusion to the case. Pursuant to Fed. R. Civ. P Rule 7(a) a supplement cannot serve as a pleading. Defendant prays the court will use its substantial authority to curtail Plaintiff's brazen abuse of the civil justice system.
